Muziris Project Limited

Selection of Graphic Design Consultants

The Muziris Projects Limited invites application for the selection of a panel consultants for the graphic design works of their different museums which are being set up as part of the “Alappuzha Heritage Tourism Project and the Muziris Heritage Project”. The Graphic Consultant will be responsible for the entire graphic design for all the panels to be exhibited in the museums. The content of the museum write-ups and the photographs and the objects to be displayed in the museums will be provided by the Muziris Projects Limited. The consultant should be well equipped with experts in the field and prior experience in the preparation and execution of similar projects.

Background

The Muziris Projects Limited, is setting up different museums with varying topics in different project areas under its control. The Consultant will be required to work closely with the museum design team in realizing the design vision of the exhibition. He/she will be the link between the works of art in the museum and the visitors, helping them access the ideas and messages that the museum hopes to share with the public. The Consultant would be required to work in consultation with the other consultants to provide graphics for all exhibition content such as text, labels, maps and timelines, logos, exhibition related signage and to ensure that they are equally viable for onscreen video and internet usage. This includes any immersive design related graphics to be printed on the floor/carpet, in the backgrounds of showcases or on the walls. The designer would also need to provide the graphic inputs for print and publicity materials.

Requirements

The different museums require the setting up of different display panels for the different museums, thus creating them as tourist friendly destinations. This tender procedure is for the provision of Graphic Design services to the different museums which are in the process of being set up. Museums which are already set up by the Muziris Projects Limited will also require the graphic design services. These services
shall be in consultation with the Museum Advisory Committee and will have to be approved by the said committee.

The firm may be an individual, or partnership or company or consortium engaged in running/developing heritage sites with the specified qualification criteria may send in their applications along with detailed statement of experience. The Consultant’s responsibilities include the following,

1. The firm selected may have to function as advisor of the project execution of their part and will have to take part in the site meetings.
2. The firm selected has to provide all the graphic designs to develop these museums as a world class Heritage Tourism location.
3. The firm selected will have to work along with the entire museum teams and all the suggestions of the Museum Advisory Committee will have to be adhered to.
4. The team members of the firm has to visit the location, whenever necessary and give necessary advice to the Muziris Project Limited and have to accompany during the inspections of officials of Muziris Project Limited as and when requested by Muziris Project Limited. The cost of travelling, accommodation and other incidental expenses have to be borne by the Consultant. However, if the number of visits exceeds more than one per month as per the request of the Muziris Project Limited, then the actual air/rail fare will be reimbursed.

**Scope of Services**

The scope of services shall be as follows;

1. The preliminary conceptual plans and designs prepared by the Consultant shall be got approved by the Muziris Project Limited or the authorized person and the Consultant shall modify the same if desired by the Department without any additional cost.
2. After obtaining the written approval of the Muziris Project Limited, three copies of the approved preliminary design and drawings (also referred to as revised drawing or design development) including plans, rough cost estimate, drawing etc. shall be furnished to the Muziris Project Limited along with brief specifications and cost based on plinth area rate to the satisfaction of the Muziris Project Limited. This process is to be done for each component according to the priority fixed.
3. After the written approval of the sketch design and preliminary estimate has been communicated to the Consultant by the Muziris Project Limited, the Consultant shall prepare detailed working drawings. The Consultant shall also furnish detailed designs needed at the time of execution of the said work on the basis of the latest specifications. The Muziris Project Limited beforehand shall approve the specifications in writing.

4. The Consultant shall also render any other services connected with the said works usually and normally rendered by Consultant and not referred to in any of the sub clauses.

5. The Consultant shall submit to the Muziris Project Limited all the necessary sketch designs, within the period stipulated by the Muziris Project Limited. If the Consultant fails to adhere to the time schedule or extended time which may be granted by the Muziris Project Limited in his sole discretion, the Muziris Project Limited shall be entitled to terminate the agreement and entrust the work to some other Consultant and in that case, the Consultant shall be entitled to fees or compensation only up to the stage of work carried out by him as decided by Muziris Project Limited alone. In the event of the Consultant being not in a position to fulfil his works on design and drawing in such a way that the construction work cannot be carried out as per the time schedule, the Muziris Project Limited shall be free to get the design and drawings prepared by other agencies at the risk and cost of the Consultant.

6. The Consultant shall exercise all reasonable skill, care, diligence and discharge of duties hereby covenanted to be performed by him/her and shall exercise inspection in regard to the said works, as may be necessary to ensure that the work is being executed in accordance with the design and specifications aforesaid and approved by the Muziris Project Limited.

7. The basic drawings of the buildings, the content write up, the photos and the objects to be displayed in the museum will be provided by the Muziris Project Limited, but the illustrations, sketches, info graphics required etc. (for both the print and visual media used in the museums) will have to be provided by the Consultant for which no expenses will be paid. Services may include the design of museum brochures, leaflets, banners, posters, info graphics advertisements (print and online) and stationery, as well as any other visual media that may be specified by the Muziris Projects Limited. Bidders must have the ability to
provide high quality or high resolution soft copies of the files for the approval of the Muziris Projects Limited.

8. The cost of any artworks installations shall be provided by the Muziris Projects Limited. Any design of the display shelves does not fall under the scope of the Consultant, but the template for the labeling of the objects will be under the scope prescribed.

9. All of the design work must follow corporate brand guidelines and logo requirements of the Muziris Projects Limited.

10. Offers of service must include the supply of electronic files for printing, and web-optimized PDF files for online publications.

11. The cost of the prints for the final output to be displayed in the museum shall be done by the Contractor who is appointed to execute the interior works of the Museums.

**Qualification Criteria**
